Why not come early and have a chat?

Talking with others about your experiences, both before and after meetings, can often bring surprising results. A chance word may result in your learning how someone else overcame a problem you have, or the other person discovering how you mastered a problem they have. Come along to this meeting of the Gold Coast Stroke Support Group for you will almost certainly find someone there who has had a similar experience to your own. They may be able to suggest from their own trauma, ways and means to give you: -

A BETTER QUALITY OF LIFE.

There will be a **SOMERVILLE FUNERALS** sponsored ***FINGER FOOD LUNCHEON AFTER*** the meeting.

The food served will include: -

SANDWICHES – FRUIT PLATTERS USING FRUITS IN SEASON.

[Plus Fruit Juice. - Sandwiches are homemade.]

PLEASE NOTE: For catering purposes it will be necessary to give numbers attending.

PLEASE RSVP to me by 5:00 pm on Monday 2/11/2015
