[For a Gold Coin Donation]**

I have been advised follows: - I'm writing as the Councillor's office suggested your Group will be interested in hearing about a new community service we're launching.

On the Gold Coast and Tweed Shire, Kynd is introducing a new way for locals to care for locals.

Our Founder (Michael Metcalfe) has so far shared our story with several Rotary, Community and other groups across the Gold Coast / Tweed.

Given this interest, we're now inviting other groups to invite Michael as a Guest Speaker, for events, meetings, lunches, dinners or other activities.

Based on the great feedback from other groups, I'm sure your members will love hearing Kynd's vision for helping locals and carers across society.

Talking with others about your experiences, both before and after meetings, can often bring surprising results. A chance word may result in your learning how someone else overcame a problem you have, or the other person discovering how you mastered a problem they have. Come along to this meeting of the Gold Coast Stroke Support Group for you will almost certainly find someone there who has had a similar experience to your own. They may be able to suggest from their own trauma ways and means to give you: -

A BETTER QUALITY OF LIFE.
